

STUDY GUIDE FOR A QUESTION AND ANSWER STUDY

LAKEFIELD MINISTRIES

Simple Steps for Completing a Question & Answer Study

1. Write out your question
2. List key words that relate to your question
3. List verses relating to the topic (Use an online Bible search tool such as www.blueletterbible.com or a Bible concordance)
4. Read the verses noting key verses as you read. Read the surrounding verses for context as needed.
5. Complete a Verse Analysis on key verses
6. Summarize the findings of your verse analyses
7. Based on your study, how does God seem to answer your question?
8. List other questions and problems that have come up as a result of your study
9. Summarize your study including an answer to the question based on your study. Include comment on what you learned, questions, problems, and how you would apply what you learned.
