

# STUDY GUIDE FOR A TOPICAL STUDY

LAKEFIELD MINISTRIES

## Simple Steps for Completing a Topical Study

1. Select a topic
2. List key words that relate to the topic
3. List verses relating to the topic. (Use an online Bible search tool such as [www.blueletterbible.com](http://www.blueletterbible.com) or a Bible concordance)
4. Read the verses (and surrounding verses for context), listing key points as you read.
5. Complete a Verse Analysis on key verses as needed.
6. What does God say (and not say) about the topic?
7. List questions and problems related to the topic and what God has to say about it?
8. Summarize your study including what you learned and how it might apply to your life.
